ADVISING

**Academic Achievement & Retention Services**

Academic Achievement & Retention Services advisors are trained and certified to help undergraduate students meet college-level academic expectations and advance toward the goal of graduation. Services include:

- Personalized advising and academic planning
- Monitoring of academic progress
- Career/graduate school exploration
- Financial literacy education
- POSTSEC 1055 Strategies for Academic Success, a 2-credit hour course
- Collaboration with other campus offices in delivering orientation and transition programs

**TRIO Student Support Services**

Student Support Services is a federally-funded TRIO program designed to increase the retention and graduation rates of UNI students who meet federal eligibility requirements. Program staff serve as advocates for participants and provide a combination of cognitive and affective services based on the individual needs of the student. The following free services are offered to program participants:

- Academic, career, financial, and personal advising
- Instructional support, including tutoring and study groups
- Assistance with long-range planning and goal-setting
- Monitoring of academic progress
- Group and individual programming on college transition, college survival, study skills, and financial literacy
- For-credit courses: Strategies for Academic Success and Career Decision Making
- Cultural and educational activities
- Financial assistance to qualified participants
- Graduate school planning and enrollment assistance
- 200 eligible participants served each year

---

**TUTORING**

**College Reading & Learning Center**

Trained and certified academic coaches help students develop and apply effective college reading, learning, study, and time management strategies. We offer:

- Individualized appointments
- Workshops and presentations
- Faculty consultation
- Supportive Seminars for specific courses

**Math & Science Services**

Tutoring for math and science courses is offered by trained, certified staff for individuals and small groups, walk-in or by appointment. Math and Science Services provides:

- Math and science tutoring
- Math and science preparedness consultations
- Test preparation and study skills
- Calculator lending program
- Workshops and presentations
- Supplemental Instruction for specific courses

---

**Writing Center**

Certified Writing Coaches offer individualized writing feedback for undergraduate and graduate students in all majors. Coaches and students work together to:

- Get class projects or personal statements started and manage writing time
- Identify and repair problems with focus, development, organization, clarity, and grammar
- Practice effective planning, revising, editing, and proofreading strategies
- Avoid plagiarism and master APA, MLA, and other citation styles

The Writing Center offers faculty consultation and workshops customized for specific courses and groups.
